The 15th International Conference on Miniaturized Systems for Chemistry and Life Sciences

Dear Company Representative:

MicroTAS 2011 will be held in the USA. This is an ONLY every three year opportunity which you will not want to miss. We would like to invite you to participate as a supporter and/or exhibitor at the 15th International Conference on Miniaturized Systems for Chemistry and Life Sciences (μTAS 2011). The Conference will be held October 2-6, 2011 at the Washington State Convention Center, in Seattle, Washington, USA. You will NOT want to miss the opportunity to get your product and services in front of the current and future consumers in the industry.

The μTAS 2011 Conference is a premier international forum for reporting advances in microfluidic systems, nanotechnology, and chemical and biological analysis, synthesis, and detection methods for chemistry and the life sciences. The Conference alternates between the European, Asian and North American continents and has hosted attendees from over 33 countries. These international research scientists and engineers presented more than 600 oral and poster papers during the sessions. The Conference continues to grow and we anticipate that μTAS 2011 will see an increase in attendance well over 1,000 attendees. As an exhibitor, advertiser, or contributor, you will find this Conference gives your company unique opportunities for placing your business in front of this global professional community.

μTAS 2011 in Seattle, Washington offers a rare opportunity to meet and network with a high quality audience in the professional atmosphere of a focused International Technical Conference. The breadth and depth of research topics combined with the quality of invited and contributed technical presentations makes this Conference a premier event for all professionals in the industry which then makes it a 'must attend' Conference for your company. You will find short term (generated sales) and long-term (customer relationships) benefits by attending and supporting MicroTAS 2011.

There are a myriad of opportunities for your company to be involved in μ TAS 2011: as an Exhibitor during the Conference; as a Contributor of the Conference with an option to support specific events during the Conference; or as a Host to a special applications seminar of your technology during a lunch break or late afternoon immediately following the day's final session. Several companies have found hosting an event to be an effective means to connect with potential customers. You will find the application form for the Exhibitor and Contributor options enclosed. If you are interested in hosting an event or have any questions on how to be involved with μ TAS 2011, please contact us at info@microtas2011.org. Be sure to visit the Conference website (www.microtas11.org) for details pertaining to the Conference.

The μ TAS 2011 Conference attracts technology leaders by offering a top quality technical program of the current state-of-the-art papers combined with networking opportunities. This is a great opportunity for your organization to participate in an activity that will showcase your organization's technical expertise. We are looking forward to another successful Conference at μ TAS 2011 in October in Seattle, Washington and we hope that your company will seriously consider participating.

Sincerely,

MicroTAS 2011 Commercial Development Executive Committee

James P. Landers, University of Virginia Conference Chair

Susan Barker Vice Chair, Commercial Exhibits

Yolanda Fintschenko, LabSmith *Vice Chair, Commercial Exhibits*

Amy Herr, University of California at Berkeley *Vice Chair, Development and Grant Support*

The 15th International Conference on Miniaturized Systems for Chemistry and Life Sciences

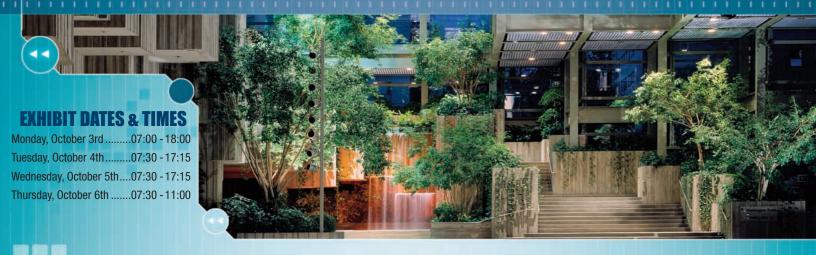

EXHIBITOR PROSPECTUS

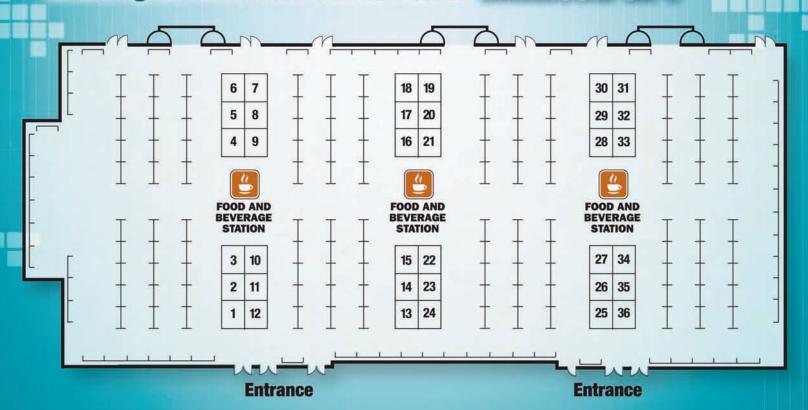

Washington State Convention Center

October 2-6, 2011 | Seattle. Washington, USA

Washington State Convention Center BALLROOM 6A-E

10' x 8' Booths include:

1 table, 2 chairs, 1 sign, two full Conference registrations, company name on the website, Opening Session slide presentation, final program¹, in the Technical Digest¹ and Welcome sign².

Table tops include:

1 table (please note that this is an un-manned table-top display), company name on the website, Opening Session slide presentation, final program¹, in the Technical Digest² and Welcome sign³. Table-tops will be assigned at check-in. Table-tops are for start-up companies of less than 4 years and have not exhibited in a previous μTAS Conference. Table-tops do not include a registration badge.

The undersigned APPLICANT, agreeing to be legally bound hereby, applies for exhibit booth space in the Fifteenth International Conference on Miniaturized Systems for Chemical and Life Sciences described above, subject to the terms, conditions, and requirements stated herein.

The µTAS Conference, upon its written acceptance of this Application and Contract, is to assign exhibit booth space to the Applicant under all of the terms, conditions, and requirements as aforesaid.

Applicant applies for one of the available booth locations at the rent indicated below for the space. Booths will be assigned on a first-come first served basis. The Executive Conference Committee has the right to amend exhibit times and booth locations if necessary.

With reference to the encl	losed floor plan, please indic	ate your booth choices:	:		9		
1st Choice 2nd Choice			3	3rd Choice			
If none of your requested booths are available at the time your application is being processed, we will make every attempt to assign space in proximity of the area requested.							
	Early Bird On or Before August 5th	Standard After August 5th

UNIFORM CONDITIONS FOR EXHIBITING

- The exhibit area will be available for setting-up exhibits from 13:00 -17:00 on Sunday, October 2, 2011. You may teardown your exhibit space on Thursday, October 6, 2011 after 11:00. All exhibits must vacate the premises by 16:00 on Thursday.
- The exhibit area will be open as follows:

Monday, October 3rd	07:00-18:00
Tuesday, October 4th	07:30-17:15
Wednesday, October 5th	07:30-17:15
Thursday, October 6th	07:30-11:00

The Executive Conference Committee has the right to amend exhibit times and booth locations if necessary.

- Conference attendees will be free to participate in the exhibit area before and after sessions, during coffee breaks and luncheons.
- Only authorized Conference participants, authors and exhibitors will be admitted at the Conference. The name of the authorized representatives shall be furnished to the exhibit manager not less than ten (10) days before the opening of the Conference.
- The μTAS 2011 Conference and the Conference Center Management cannot guarantee exhibitors against loss or damage of any kind. The exhibit space is open to common areas is not in a secure space, so you will not want to leave anything of value in your booth space.
- Only 1 company per booth. No booth sharing will be allowed unless discussed with conference management. Additional fees may apply.

- An exhibitor wishing to release their assigned space prior to July 1, 2011 and after their signed application has been received will be refunded all but 50%. Cancellations after that time will not receive a refund. All cancellations must be made in writing. It will not be possible to refund any payments made if exhibit space is not used or only partially used.
- Infractions of these conditions on the part of the exhibitor or any of his/her representatives may subject them to dismissal from the Conference hall. In this event, the exhibitor or representative will make no demand for redress.
- Space is leased with the understanding that the µTAS 2011 Conference will act for the exhibitor only in the capacity of agent and not as principal. The µTAS 2011 Conference and the Washington State Convention Center assume no liability whatever for damages resulting from any act of omission or commission in connection with said agency. The exhibitor and representatives hereby release the Conference, sponsoring agencies, and the Washington State Convention Center from any or all liabilities for loss ensuing from any cause whatsoever.
- Communication pertaining to this Conference exhibit should be addressed to:
